EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

The Examiner has made no amendments to the application.

Drawings

The drawings filed on 8/20/2003 are acceptable.

Priority

Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Cited References

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

The Japanese patent document cited by applicants is the patent document referred to on page 1 of the specification. Note the enclosed form PTO-1449.

Sato et al, Mizobuchi and Kikuchi et al disclose multi-directional input switch assemblies wherein the actuator is either depressed or pivoted to cause selective actuation of different combinations of switches. Note the enclosed form PTO-892.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose of the use of a multi-directional input device for switching including the following unique features: 1) a multi-layer substrate arrangement with one fixed substrate containing a plurality of switches and 2) mounting support structure including support pins for movably supporting a 3) second movable substrate, which pivots about an axis or axes, containing 4) switch actuators located on the underside of the movable substrate for actuating selected pushbutton type switches and 5) a lever actuated electronic device such as a switch mounted on the top surface of the movable substrate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Summary

Claims 1-13 are allowed.
